We will also use your personal information to invoice you for our services pursuant to the contract between you and us. We will also require a certain amount of personal information about you and your child at the registration stage.

5.4 Inevitably, there will be an overlap between what we do that is necessary to (a) perform our contract with you and (b) pursue a legitimate interest although we have tried our best to demarcate these as set out above. If you have any questions about these please contact our Data Protection Co-Ordinator.

5.7 Also, health practitioners may provide us with information (particularly sensitive personal data) about your child which may need to be added to our medical, special educational needs or child protection file. This kind of processing of sensitive personal data may be necessary (a) for medical diagnosis or provision of health care and/or (b) to protect the vital interests of your child or another person taking into account the mental and physical capacity of your child.

5.8 In order to achieve the purposes described in paragraph 5.7, we may do the following:

5.13 You or your child do not have to give us details about your child's race, religion, or ethnicity if you do not want to. If you do provide us with this information, we only use these details to assist us with the day-to-day running of the daytime activity camp (for example, if your child's religion means that he or she has particular dietary requirements then we will of course be much better informed if we have this information to cater to your child's requirements) and for equal opportunities monitoring purposes.

Where you have given consent to the above, you can withdraw this consent at any time.
